April/May/June 2013 Issue

From the President

SPRING!! SUMMER!! Ahhh, music to our ears. Birds chirping, green grass, flowers growing, no snow. The best part, no snow.

We have had a busy winter season at SRCA. This phase of the electric project is complete. Workers will return to complete the work on member's lots, to replace extra soil and fine tune members lots. Roads will be mended when weather permits.

Our staff was pleased with Right Electric and the staff that worked at SRCA. While the electric project was moving forward, our staff was completing, many winter projects.

Jim, our Treasurer, and John, our Manager, have worked hard to get the figures together for the assessment statements. The project is under budget and this is a good surprise. The statements were mailed out May 2, 2013

Many activities are planned for this season. The schedule will be available soon. Attend as many as you can, and join in the fun.

Welcome back to SRCA for the 2013 season! Let's make it a great season! **Positive attitude and team work is my goal.**

“Plan for the worst, Work for the best”

The original estimate for the electric project was \$300.00 per member. This was a worst-case scenario, which included the replacement of all components of the system, wiring, transformers, connection panels, etc. It also allowed a percentage for unexpected occurrences.

As it turns out, all but one of the transformers can remain in service for now. The contractor was able to complete the job without any unexpected incidents, and the cost of the total project was very close to the Board's best case scenario.

The project is complete, with the exception of some minor repair work to some lots and follow-up testing of transformers in July. The contractor will be returning sometime in May to start reparations on the lots and roadways.

As of this date, the issue with electric current in the pool has also been resolved.

The Electric Project assessment invoices were mailed to all members on May 1, 2013. The project came in under budget and the cost per member is \$171.00. Payment for this invoice is due by August 1, 2013. After August 1st there will be a \$20.00 late charge. If payment is not received by the September 1st annual meeting the member will forfeit their membership.

Your timely payment of the invoice is greatly appreciated. Payments are applied immediately to our loan balance, so the sooner your payment is received, the less loan interest we pay.

If you have not already received your assessment invoice, or you have any questions, please call the office @ 724-738-0402.

Volunteer

Admittedly, the primary purpose of coming to SRCA is to relax and goof off. However, there are those times when you just *might* be motivated to do something constructive. Well, in anticipation of those times, SRCA has created a variety of opportunities for you to volunteer and feel good about it. The following list, although not inclusive, illustrates some of the tasks that a member may perform.

- Meet & Greet members and visitors at the front gate.
- Participate in various committees that assist the Board of Directors.
- Become a Board Member.
- Paint something.
- Mow something.
- Work with the teens.
- Organize a dance.
- Show prospective members around the campground.
- Plant flowers.

Got some time? Volunteer! Do some good, meet new friends and have some fun. Oh, and at the end of the season, for all your dedication and hard work, S.R.C.A. will treat you to a free meal!

With all of that in mind, check out the following...

The following events are looking for volunteers. Check with the Office for details.

Youth Committee

Can you believe that Christmas in July is just a short two months away on July 27, 2013. The Youth Committee is already at work getting ready for Toy Bingo. We will be asking for toy donations and volunteers to make the event a success for the kids. Look for more information on our website. Also, the Family Pancake Breakfast is scheduled for Aug 17, 2013 by Renee Curry

Chinese Auction and Craft Show

Last July in conjunction with Family Fun Day we had a Craft Show and a Chinese Auction. Since talking to the vendors that set up a table, they said they will be happy to set up again this year.

Anyone who is interested in setting up a table or donating to the Chinese Auction please contact me at srcapattie@gmail.com. I am hoping to have more of our campers that do craft shows set up a tent.

Office/Golf Cart Stickers

Beginning April 1st the Office will be open seven (7) days. The hours are from 8:00 am to 4:30 pm.

Also, golf cart stickers are available to purchase at the office. As a reminder, you must drive your golf cart to the office in order to obtain your golf cart sticker.

You must have your lot number on the front and back of the golf cart and office personnel must physically watch you place the sticker on the driver's side of the golf cart.

The Front Gate House

Please update your Lot Guest Cards! They are currently at the office and will be moved to the Gate House on Memorial Day Weekend.

Updating these will help the volunteers at the front gate and keeping back-ups at bay by having guests names ahead of time and not holding up traffic waiting for someone coming to let them in. If their name is not on your card, they will have to pull aside and wait for you to come let them in.

Also, If you are interested in volunteering to help at the Front Gate, Please contact Frank Van Atta at 724-738-0066. Your help is sincerely appreciated.

People to People Student Ambassador

Let us all congratulate Ashley Mahon of site D320. Ashley was nominated by her math teacher at Taylor Alderdice High School to take part in the program of People to People Student Ambassador.
