SRC Float 2022

June 18th

No sign up needed.

Some folks said they will donate time to drive people to start point. I could use 3 or 4 trucks or truck and trailers. Anyone willing can post in comment here.

Floaters Be down front gate for 10am or at start point by 1045. By 1045 there will be no more shuttles. Get there early please.

There is Very limited parking at start point. Please get dropped off at the starting point or hopefully we have enough people to shuttle folks.

Also looking for some folks to get to starting point for 10am so they can start staging everyone. We are gonna try and all drop in a lot closer this time so we all go down closer together.

**\*\*This is not an official "camp sponsored event, all floaters will participate at their own assumed risk" \*\***
